Sir:

It is requested that the Patent Office kindly correct its records regarding the above-referenced application. A copy of an Acceptance of Power of Attorney is attached, indicating the correct address to be used in this matter. Several documents, in no apparent order or reason, have gone to the previous address, which is now another lawfirm. This causes great upset and confusion and does not appear necessary. The undersigned has also *not* received a corrected Official Filing Receipt, requested previously on *April 16, 2004*, which indicates the PTO database information is incorrect. Immediate correction of this information is requested in order to avoid loss of an important document.

Respectfully submitted,

December 27, 2005
